Jeanne:

In follow-up, I talked to Mr. Walker, the attorney handling Capital Communications Consultants' request to discontinue providing services. As indicated in the following message, Mr. Walker indicated the company is no longer in business and no longer needs a South Carolina Certificate.

I hope this information is helpful.

Jim McDaniel

Enjoyed talking to you this morning. As we discussed, Capitol Communications is no longer in business and therefore no longer needs to keep its South Carolina certificate.

Henry Walker
